VERGILIAN BIBLIOGRAPHY 2007-2008

SHIRLEY WERNER

This survey of Vergilian scholarship is the forty-sixth in the *Vergilius* series. *Classical World* 68.1 (1974), published in association with The Vergilian Society, Inc., contains Alexander G. McKay's "Recent Work on Vergil: A Bibliographical Survey, 1964-73." Subsequent reviews by Professor McKay appeared in *Vergilius* 19 (1973)–52 (2005). In 2006, Shirley Werner undertook to continue his work with her survey in *Vergilius* 53 (2006).

The 2007-2008 compilation is greatly indebted to the resources of the John Miller Burnam Library at the University of Cincinnati. Readers are encouraged to send material or notices to Dr. Werner, the Editor of the Annual Bibliography, at the following address:

The bibliography this year contains an innovation in format: for ease of reference, entries are listed alphabetically rather than in thematic subgroups. The bibliography is preceded by a topical index to these listings.
